“Preach the Word”

1 Timothy 4:2

... a one-day workshop
at Tamworth for those
who preach the Word ...
and those who might
Saturday July 31, 2010

ONE DAY WORKSHOP

This one-day ***Preach the Word*** workshop at Tamworth, is for those who preach (often or occasionally), those who hope one day to preach, and those who formally teach (or may teach) in adult groups.

“Mastering Romans” is the theme of this workshop.

While God is always over us, and he means his Word to master us in our affections, thoughts and wills, those who teach his Word must in some ways, master that Word. They must know its content, understand its purpose, and develop the ability to apply it to their hearers.

The workshop’s sessions are designed to help preachers and teachers understand the content and purpose of the book of Romans, and ways in which they might teach it with sound application.

Those who register will be asked not only to be involved in the whole conference, but also to complete some preparation work ahead of the day. (This entails three readings of the whole of Romans, and detailed thought of one of: Romans 3:21-31, 5:1-11 or ch 9.)
