The Local Church in The Plan of GOD

**A conference for church leaders
August 14 & 15 2009
at Tamworth**

- *What is the place of the local church in the plan of God?*
- *What is a healthy local church?*
- *How is that health nurtured and sustained?*

Mark Dever's book "9 Marks of a Healthy Church" has been widely used to help churches enjoy and display the Bible's answers to these questions. Mark is pastor at Capitol Hill Baptist Church, Washington DC.

Capitol Hill's "9 Marks Ministry" has developed to help church leaders work out in practice what a healthy church will be, and ways to pursue and sustain this health.

Matt Schmucker, is the executive director of 9 Marks. Together with Mark Dever, Matt will be in Brisbane and Sydney in August 2009, to speak at conferences for church leaders.

The only engagement outside of capital cities is in Tamworth on August 14 & 15 when Matt will speak at...

THE LOCAL CHURCH IN THE PLAN OF GOD

conference for church leaders.

Please join other church leaders in Tamworth in August 2009, for what will be a refreshing and helpful time with Matt.
